Happiness.
Do we really
Know what it is?
The Zodiac. Does it
Change the meaning?
Each individual has his
Own personal, special
Meaning. These
Individuals are your
Friends. Have you ever
Taken the time to
Find out
Why friends smile?

Our years
Together
Have passed so quickly.
We're already saying
Remember when...
Soon we'll go
Our separate ways
And we really
Don't know anyone
By more than
Face alone.

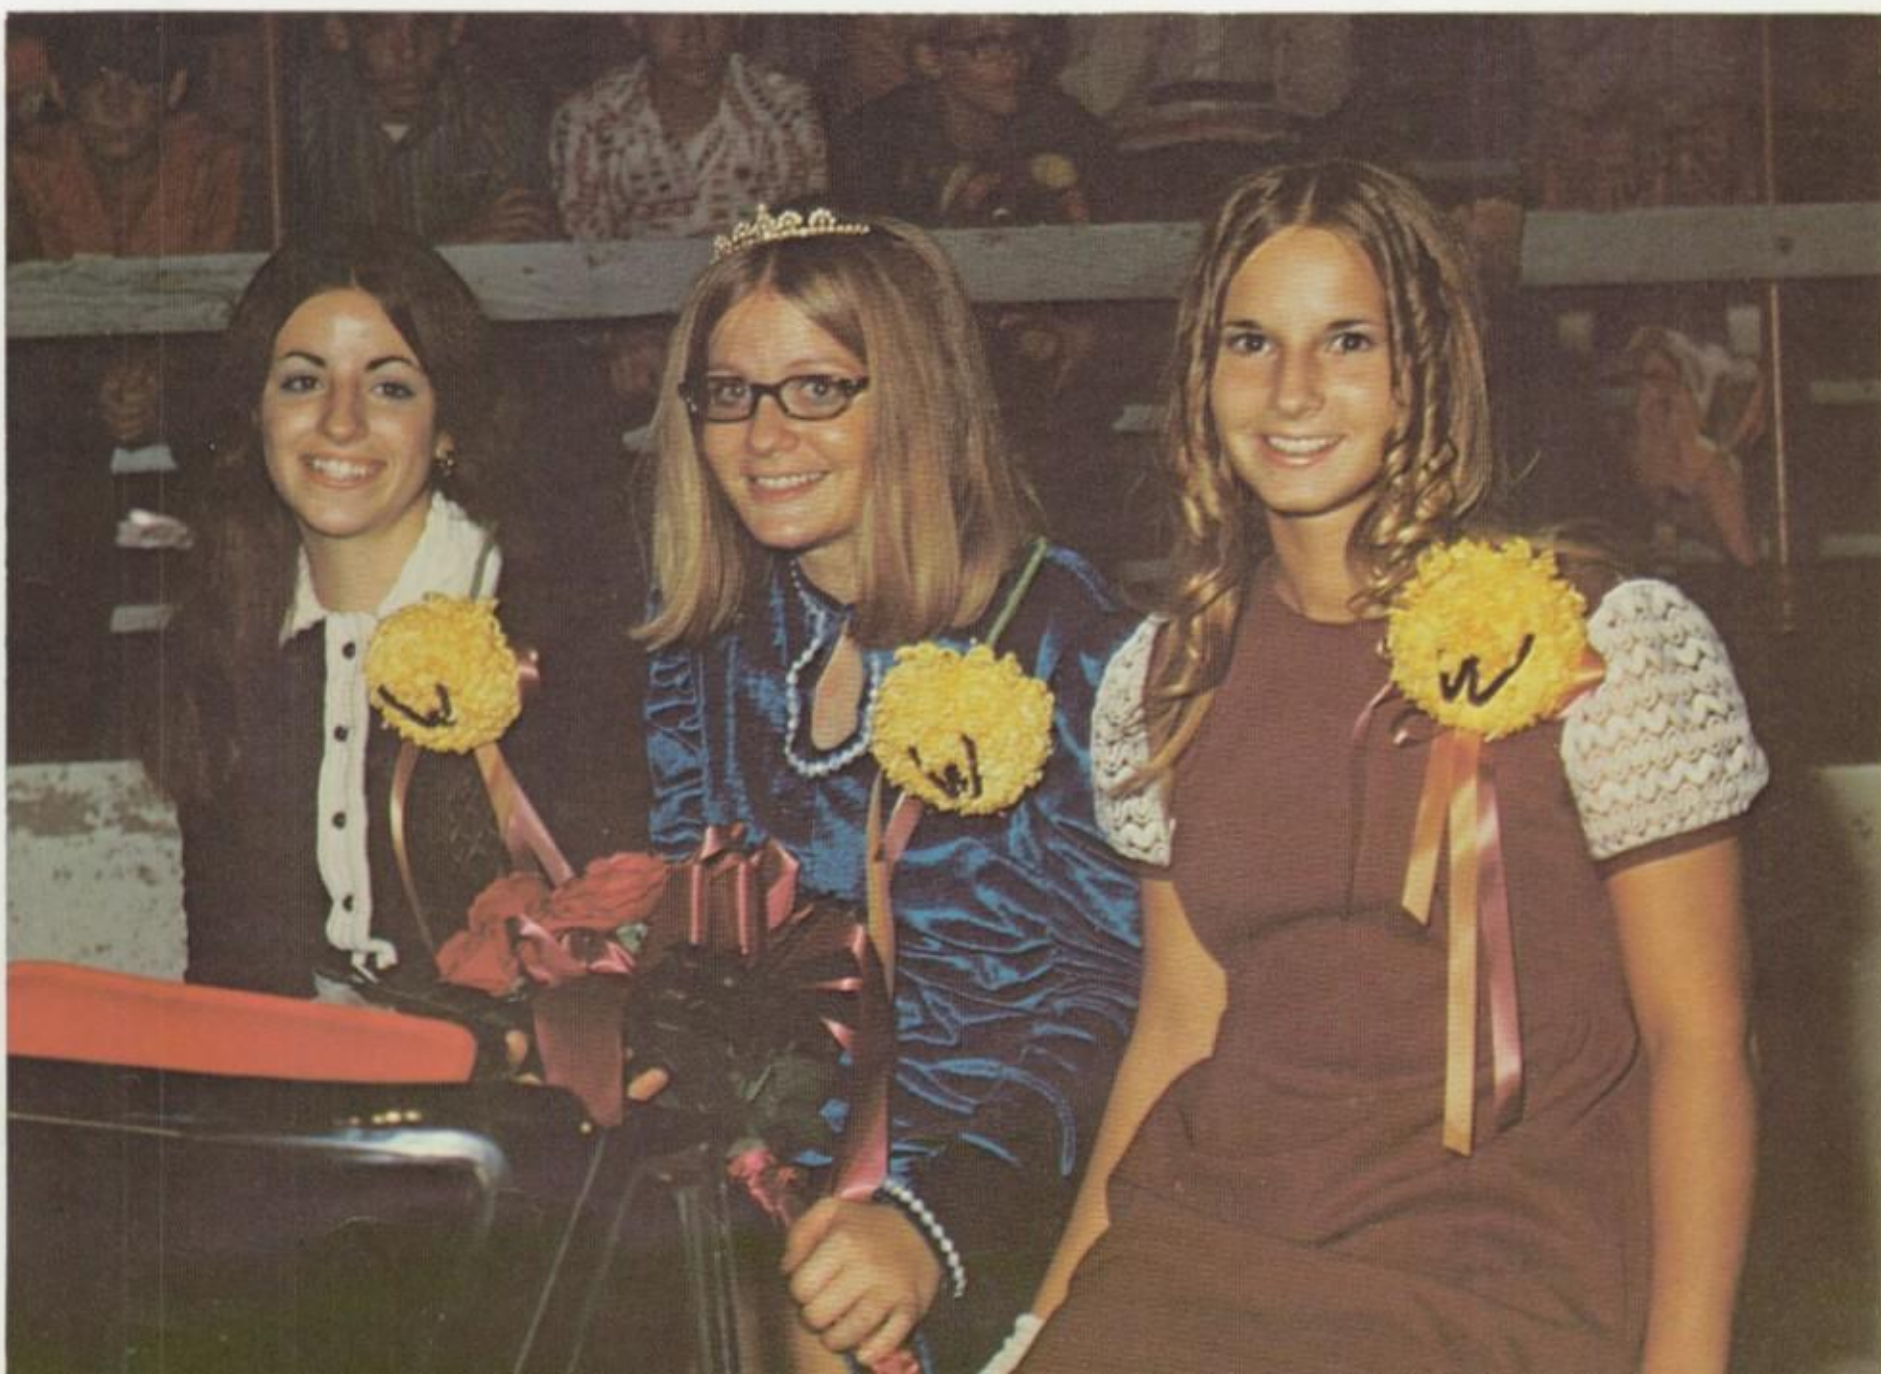

Faces don't make
Good memories. They
All fade so easily, for
When all is said
And done... it's
Ideas and
Principles we'll
Remember most.

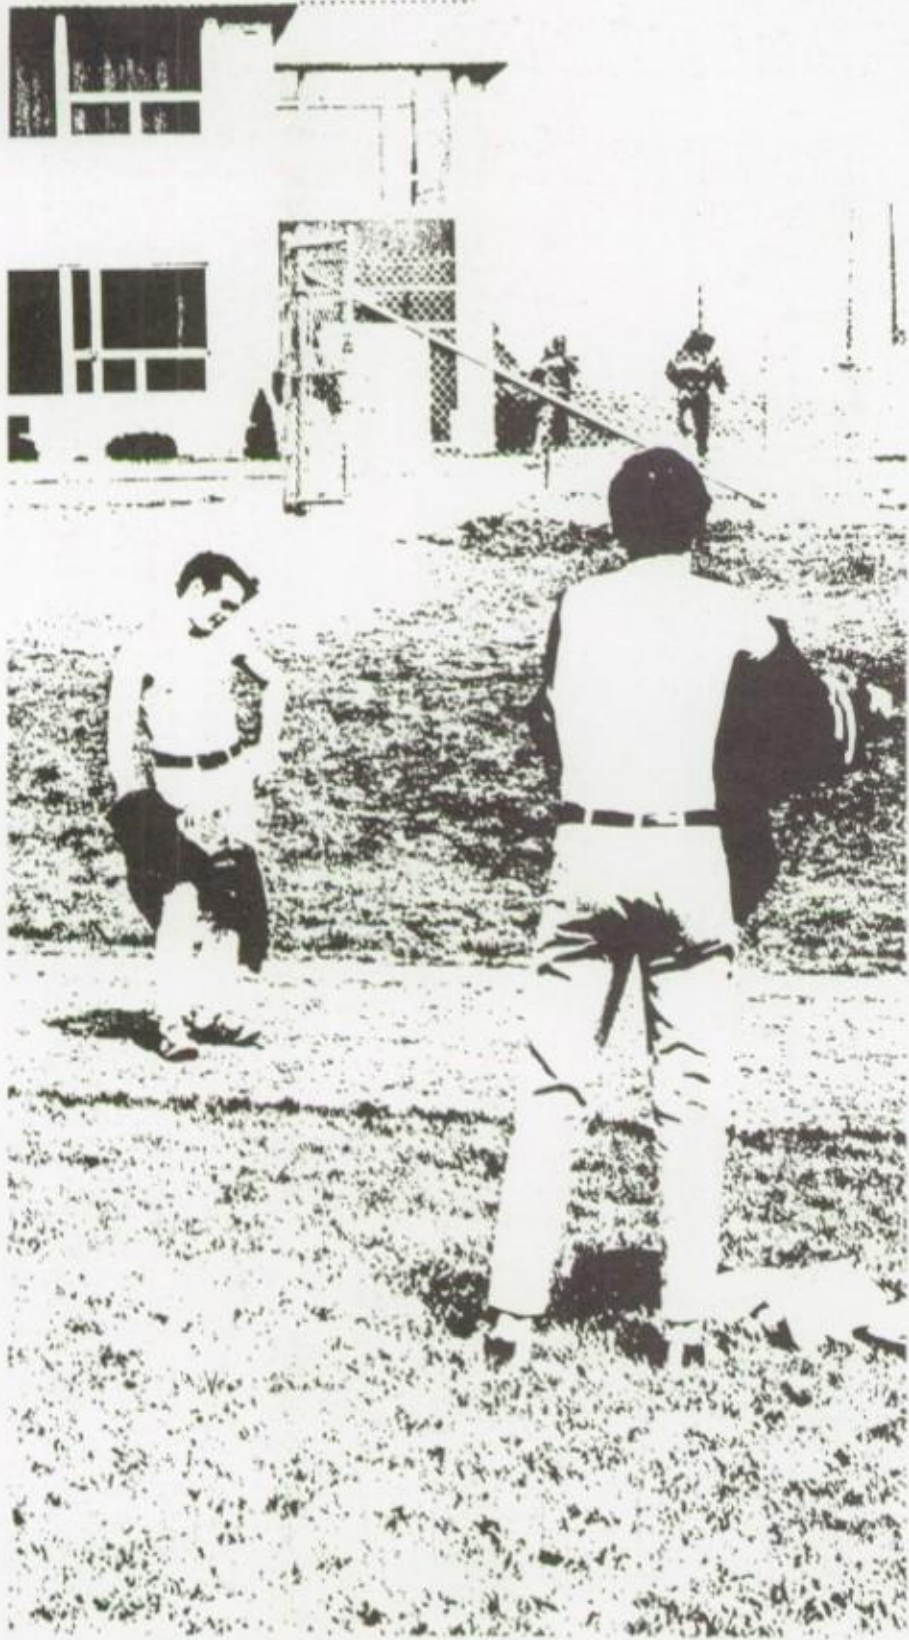

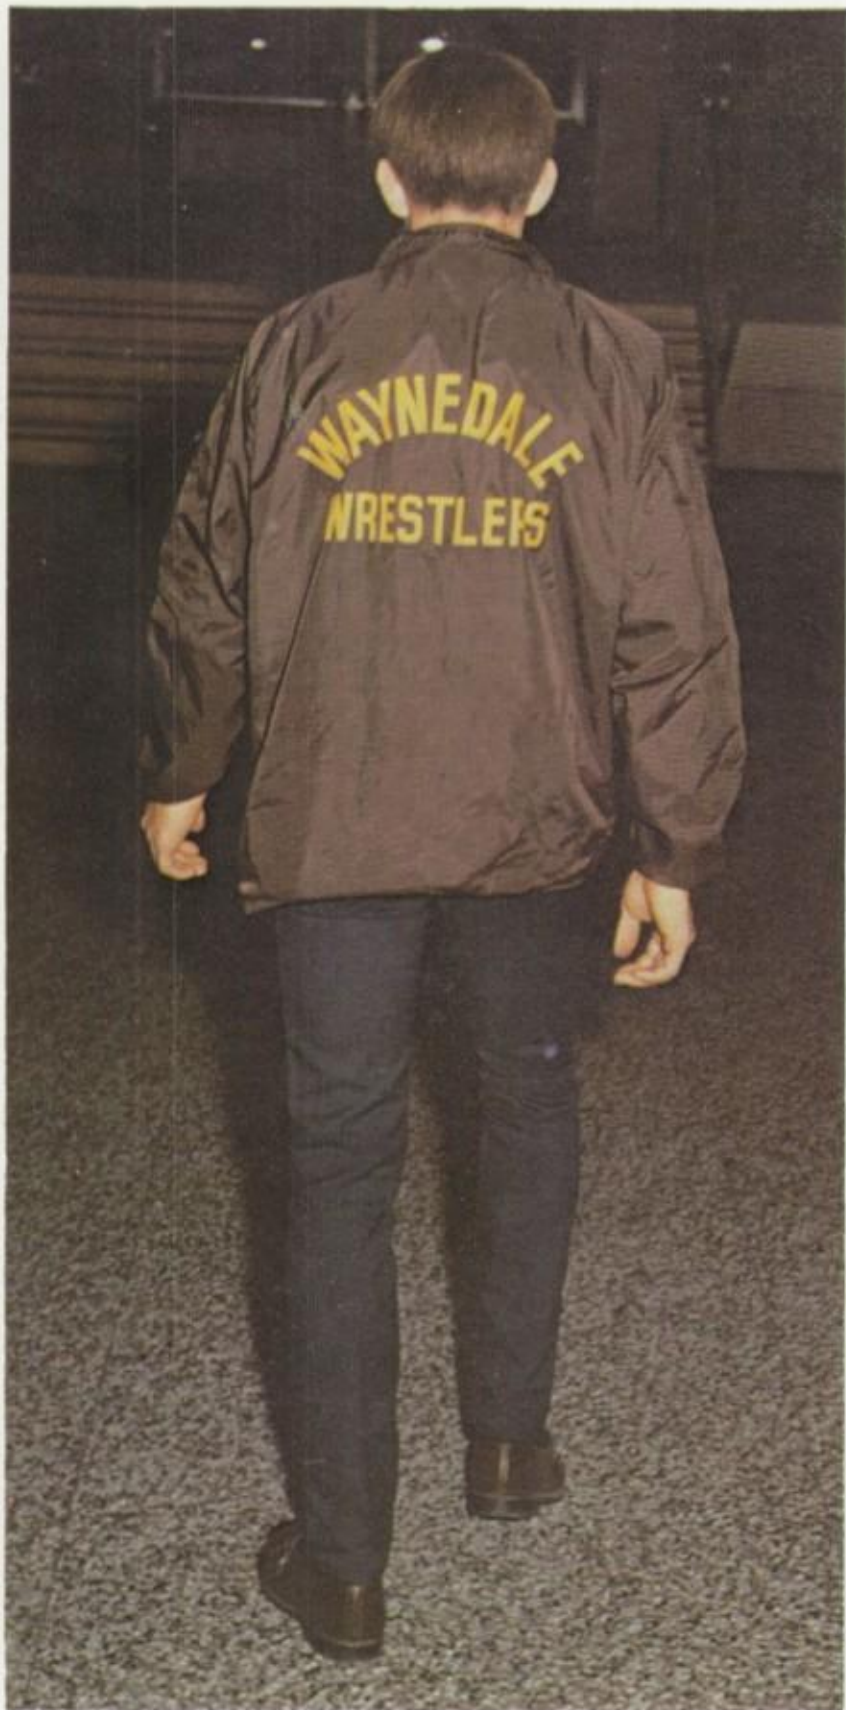

New faces
Appear to fill
Our vacant places.
New faces
Bring new minds
With new ideas.
These new ideas
Will be the
Framework of
Our future.

SPORTS: A major part of W. H. S.
Striving for a goal, whether it
be a timed record or a county
championship. We work, laugh,
cry, and plan.
But whether we win or lose...
There's still the feeling
That we've learned
And shared
Together.

We Don't Mess Around,

Practice every night learning wagon train left. Hard hitting, working until THE Friday. Stands packed with screaming fans, Kickoff! Oh, a penalty. The joy after Doylestown, the agony at Triway. Touchdown! FOOTBALL 71. Only for those with the determination to win-because winning isn't everything, it's the only thing.

It's up...

It's good!

Basketball 71-72 brought several changes to W.H.S. First, the Big Gold got a new coach, Jim Lower, and for the first time in history we had a complete revision of the varsity team. The victory over Doylestown, sleeping on the bus... who lit that match? Pride + desire + discipline = success... it's worth paying the price... winning isn't everything, it's how we play the game.

Music Department Presents "Music Man"

Add 1 town full of stubborn Iowans
1 underhanded salesman
1 librarian-piano teacher

Mix well and you get the fast moving musical the "Music Man", presented April 1, 2, 3, 1971. From the beginning Marian doesn't trust Professor Harold Hill and his "think system". But she falls in love with him so she doesn't reveal his plans to swindle the town out of money they paid for band uniforms and instruments. The mayor, too, suspects foul play, but he is frustrated first by his school board turned quartet, and by his wife who is smitten with Professor Hill. Everything is resolved in the end as the boys' band comes on to play "Minuet in G".

Especially For Children: The Clown That Ran Away

When Dodo the clown decided to run away from the circus, he didn't dream of the hair raising experiences he would have. After falling in love with Gloria, a doll, sleeping right through a robbery, being arrested for stealing the dolls, and being saved by Gladys the Horse, who captures the robbers, Dodo decides that the circus is the best place for him. He persuades Gladys to go with him, hoping they will be able to earn a million dollars so they can return and buy Gloria.

Mr. Frumpkins made the best dolls in the world.

"Oh, Mother's own precious."

"Now what kind of dolls were they?"

The cast of "The Clown That Ran Away"

"Have you seen any dolls?"

"My handkerchief. I must have dropped it."

Rudolph and Ugly steal Mr. Frumpkins' dolls.

"Oh, Gloria, where are you?"

Remember?
The years went by
So fast. Will you
Ever recapture the
Moments, the feelings,
The laughter, the tears,
The victories, or the sadness?
TRY to remember! It's been
Eighteen years of your life,
And now it's over. We're
Separating to try
And make
Our world a little
More united.
